FOOD BANK FOR SOUTHERN COLORADO

Dear Mr. and Mrs. Roland Brodeur,

Thank you for supporting Care and Share Food Bank's mission to ensure our neighbors experiencing hunger have the food they need. We are grateful for you and your trust in our work.

Each day, thousands of our neighbors are facing hunger and might not have the means to meet their basic needs. With your support, our partner food pantries, soup kitchens, shelters, and program sites can provide nutritious meals to children, families, and seniors. Your gift helps neighbors like Mary, who is a proud grandma to four grandkids. After retiring from her career as a music teacher, she started taking care of them more often to help support her daughter. That meant a larger grocery budget.

Our Mobile Market stops by Mary's neighborhood every other week. She's able to safely pull in her car and pick out the variety of food she would like to take home. "I love that I don't have to travel far to get to this distribution. It makes it convenient and easy for me to get food for my grandkids," she told us.

Your gift makes a tremendous impact in our community. Your generous support helps to transform lives across Southern Colorado. We truly could not do this work without your help. Thank you again for sharing in our belief that no one should go hungry.

Yours sincerely,

Lynne Telford
CEO
