Because of the change in the price of beer, the El Paso County will supply the changed needed; however, it was requested that Good Luck Sams also be prepared with \$2,000.00 of \$1.00s and \$1,000.00 of \$5.00s. All attending members agreed.

Our next campout is at Grape Creek, Westcliffe, CO August 19-21, 2022.

A suggestion was made during the last race that Good Luck Sams look into selling Koozies to keep beers cold. Janice has looked into this and we can get them in forest green with our logo printed on it. We would sell for \$3.00 and all funds will go into the Good Luck Sams accounts. One individual would sell the Koozies and the money would not be included in the register. Carolyn Hall made a motion that Janice Brewer be authorized to purchase up to \$300.00 Koozies in forest green with the Good Luck Sams logo to sell. These will be sold during the El Paso Fair and during the races for \$3.00 each. Portia Isaacson second. All were in favor.
