Old Business: Rick Smith reported that the El Paso County Board had reviewed the MOU and Rick has signed it. They were still waiting on Harry Volkmann to sign the MOU, before sending a copy back to Rick for the Chapter.

There are still only two spaces left for Beer Garden volunteers to camp on the Fairgrounds.

The racing season has started and we desperately need volunteers to work the races. Please contact Carolyn Hall to sign-up. The first race of the season was a sale-out. Rick had purchased two heater/fan units for the beer dock and they were very much appreciated by those working the beer dock. We were reminded that there is "NO DRINKING of ALCOHOL" by the volunteers before or while working the beer dock.

New Business:

AThe Executive Board would like to add Eastern Plains Community Pantry to our list of Charities. This was tabled until the next meeting so the Board can determine if and how much the Pantry receives from Care N Share.
